## SERVANTS

### Sean & Tiffany Priest

You may have met Linae. You may even have Oooed and Ahhed at her. Thank you!

You may not be surprised to hear that she is a hit in Thailand! Neighbours we've never spoken with have initiated conversation. Many have brought over food. And some seem to be constantly gambling to see if they can guess her waking hours and come for a visit. Yesterday, the latter invited us to their pool!

What is God doing? How is he stirring up desire for himself and making his greatness known in the neighbourhood through this little magnet? May we be bold, sensitive and obedient as we represent him in our quiet way among these people, beloved of God.

For prayer: Praise God for how he makes himself known through creation, and especially through us people, his image bearers.

Pray for particular neighbours: "Uncle," the "noodle lady" family, across-the-wall neighbors and J & E with the pool.
